Dawn Richard

She wakes up to an unknown face again her memory is slow and rewinded she brushes her hand over her face the only thing she feels is disgrace she used to be a pearl tucked away someone got in and stole her name whoever she is, is now faded the stranger I see is now tainted she's lost in me she's lost in me

How could she, how could she be so foolish, sex crazed and stupid careless and useless, how could she, how could she be so fooled sex crazed and stupid careless and useless how could she how could she how could she, how could she  
Jezebel

I see her picking up her clothes again her underwear under his pillowed head who is this man sleeping in my space who is this man touching on her face, I get started to get thoughts running through her head the man upstairs stares as she tips down the stairs, and know I'm feeling like I should just go catch him put my hands around his neck and make him pay for his sins she's lost (lost within years) within lost in me

How could she ooh, how could she be so foolish, (so foolish) sex crazed and stupid (so stupid) careless and useless, how could she (how could she years years) how could she be so fooled sex crazed and stupid careless and useless how could she how stupid careless and useless how could she how could she

I should've come home today, today was our anniversary, you took my love away from me I can't believe you did this to me

He said to air is human to forgive is to blame

How could she, how could she be so foolish, sex crazed and stupid careless and useless, how could she (you lied to me you said you'll be only for me) be so fooled sex crazed and stupid careless and useless how could she how could she how could she, how could she be so foolish, sex crazed and how could she how could she  
Eeeeyeah part of me but you lied to me

She wakes up to an unknown face again memory is slow and rewinded she brushes her hand across her face the only thing she feels
