

Vibrate

Dawn Richard

Got you right where I want you baby
Right between my black thin skin tight leggings
I'm gon tell the truth and it's gon be naked
When we leave this club
We gon get it in baby

PLEASE

Baby don't stop

PLEASE

Let's go all night
Feel my body shake
Hands up on my waist
The way you touch me baby

Baby won't you make me vibrate
Make me vibrate Baby won't you make me vibrate
Make me vibrate And make my body go
Boom My body go
Boom Make my body go
Boom Make my body go
Boom
Feel you gettin real close
Too close mm baby
Let me slow it down
So you'll hang it on baby
When I say jump
You gon take that jump with me
I know I'm on the stare
Can you feel it baby

PLEASE

Baby don't stop

PLEASE

Let's go all night
Feel my body shake
Hands up on my waist
The way you touch me baby

Baby won't you make me vibrate
Make me vibrate Baby won't you make me vibrate
Make me vibrate And make my body go
Boom My body go
Boom Make my body go
Boom Make my body go
Boom
