

Assassin

Dawnrider

Hiding here behind that tree, I know the way he comes
The daylight is my enemy, the darkness is my home

I know there's someone near the path, I feel the evil's here
I can see a shadow there and I can smell his fear

Has he seen me? Is it possible at all?
That must be magic, no, it can not, can not be...

ASSASSIN'S HERE
ASSASSIN'S HERE
HE READS MY MIND
THE CHOSEN CHILD, THE RUMOR'S RIGHT

Get out assassin, only the weak hides in the dark
An honorable man should know that pride comes from the heart

My mission was to kill you, Riandrian warrior
Now that you have seen me we'll fight under the stars

Now steel will meet and I know that some blood will flow
Your life will fade, forgotten you will be, you will be...

ASSASSIN'S HERE
ASSASSIN'S HERE
HE READS MY MIND
THE CHOSEN CHILD, THE RUMOR'S RIGHT
