

Fate Is Calling

Dawnrider

I'm sent to you from the eternal wide sky
To tell you that your fate is calling tonight

Why did you choose me? I'm still young and not strong
So you can't help, my hope is already gone

Can't you hear the calling? The chains are falling
Your blood is the one of a hero
Your heart's desire can take you higher
To fulfill the will of the gods

FATE IS CALLING
AND IT CALLS FOREVER
FATE IS CALLING
GET YOUR HEART TOGETHER
FATE IS CALLING
CAN IT BREAK MY SORROW?
FATE IS CALLING
THERE IS NO TOMORROW

Is that true, that I am more than I thought
My heritage is really given by gods?

Your father was a man of honor and strength
And all these values are inside you my friend

I have heard the calling, the chains are falling
Is there a destiny for me?
My land was conquered and I must free it
That is what you're telling me?

FATE IS CALLING
AND IT CALLS FOREVER
FATE IS CALLING
GET YOUR HEART TOGETHER
FATE IS CALLING
CAN IT BREAK MY SORROW?
FATE IS CALLING
THERE IS NO TOMORROW
