

## Parce Is Free

Dawnrider

The back has faded from the sky  
But it is not gone

Parce is free and strong again  
The battle's still not won

I lost the castle, I lost some men  
But you can't defeat me at all  
Forever my journey will be...  
Parce is free

THESE WALLS ARE FREE, A SACRED PROPHECY  
THE ONE IS SENT, BRING LIGHT BACK TO THE LAND  
DEFEAT THE BLACK, I KNOW IT WILL COME BACK  
BUT TODAY YOU ALL CAN CELEBRATE ITS FALL  
PARCE IS FREE!

I became the sacred son, the first task is fulfilled  
But in the morning I'll go on, there's so much blood to be spilled

I shall return with an evil force  
Which you can't imagine you fool  
It is my own destiny...  
Parce is free

THESE WALLS ARE FREE, A SACRED PROPHECY  
THE ONE IS SENT, BRING LIGHT BACK TO THE LAND  
DEFEAT THE BLACK, I KNOW IT WILL COME BACK  
BUT TODAY YOU ALL CAN CELEBRATE ITS FALL  
PARCE IS FREE!
