

Revenge

Dawnrider

Get down on the ground and kneel
Eat dust, hear my laughter
I'll spit on your face you worm
Before I'll bring you to my master

Hold your tongue before I rip it out
I have come to send you downward
Jossorian will wait for you
He will pulverize your black heart

Onward, faster! Come to me, feel the blade!
Bastard, coward! Riandrian life must fade!

NOW THE DARKNESS COMES INTO THIS HALL
LET THE LORD OF THE DAMNED BE THE ONE
YOUR BELIEF IN THE OLD WORLD, TAKE IT TO THE GRAVE
NOW THE DARK WILL REIGN IN THESE DAYS

As we're fighting on Riandrian ground
I know the gods are always with me
Feel the blade and hear that magic sound
When it pounds into your body
I see the blood, it's floating out of me
Before my eyes the black is lying
By the lord where are you taking me?
Can't you just leave me me dying?

Downward to the Imrad you will be sent
No, you bastard, don't send me to your friend

NOW THE DARKNESS COMES INTO THIS HALL
LET THE LORD OF THE DAMNED BE THE ONE
YOUR BELIEF IN THE OLD WORLD, TAKE IT TO THE GRAVE
NOW THE DARK WILL REIGN IN THESE DAYS
