

When Our Troops Unite

Dawnrider

The troopers are standing
Our freedom we're demanding
The fire is rising
For our land we're riding

Out of the shadows they came
Evil is in their blood
Giving us sorrow and pain
Don't let them come!

WE'RE TROOPERS, BELIEVERS
BORN AS ONE, LET FREEDOM LEAD US
THE SPIRIT IS IN OUR BLOOD
AND THAT MEANS A LOT
IF WE FALL, OUR PEOPLE
WILL BE SLAVES OR KILLED BY EVIL
RIANDRA IS BLESSED WITH LIGHT
WHEN OUR TROOPS UNITE

The forces are fighting
Like if the gods sent lightning
My soldiers are waiting
There will be no debating

Out of the shadows they came
Evil is in their blood
Giving us sorrow and pain
Don't let them come!

WE'RE TROOPERS, BELIEVERS
BORN AS ONE, LET FREEDOM LEAD US
THE SPIRIT IS IN OUR BLOOD
AND THAT MEANS A LOT
IF WE FALL, OUR PEOPLE
WILL BE SLAVES OR KILLED BY EVIL
RIANDRA IS BLESSED WITH LIGHT
WHEN OUR TROOPS UNITE
