## **When Our Troops Unite**

## **Dawnrider**

The troopers are standing Our freedom we're demanding The fire is rising For our land we're riding

Out of the shadows they came Evil is in their blood Giving us sorrow and pain Don't let them come!

WE'RE TROOPERS, BELIEVERS
BORN AS ONE, LET FREEDOM LEAD US
THE SPIRIT IS IN OUR BLOOD
AND THAT MEANS A LOT
IF WE FALL, OUR PEOPLE
WILL BE SLAVES OR KILLED BY EVIL
RIANDRA IS BLESSED WITH LIGHT
WHEN OUR TROOPS UNITE

The forces are fighting
Like if the gods sent lightning
My soldiers are waiting
There will be no debating

Out of the shadows they came Evil is in their blood Giving us sorrow and pain Don't let them come!

WE'RE TROOPERS, BELIEVERS
BORN AS ONE, LET FREEDOM LEAD US
THE SPIRIT IS IN OUR BLOOD
AND THAT MEANS A LOT
IF WE FALL, OUR PEOPLE
WILL BE SLAVES OR KILLED BY EVIL
RIANDRA IS BLESSED WITH LIGHT
WHEN OUR TROOPS UNITE
