

Fade Away

Day of Fire

Hey...Don't wanna run no more
Hey...Must find an open door
Hey...Ask Him to step inside
Hey...Untie me from this lie

I don't wanna waste away
Like I saw myself fading yesterday
I don't wanna feel the shame
I don't wanna waste away
Like I saw myself fading yesterday
I don't wanna feel the pain
I don't wanna waste away

Hey...Walk on the broken floor
Hey...Find what I lost before
Hey...Must change the shape I'm in
Hey...Never go back again

I don't wanna waste away
Like I saw myself fading yesterday
I don't wanna feel the shame
I don't wanna waste away
Like I saw myself fading yesterday
I don't wanna feel the pain
I don't wanna waste away

I'm coming to know
I'm coming to see You now
I'm coming to grow
I'm coming to see You now, believe You now

I don't wanna waste away
(4x)

I don't wanna waste away
Like I saw myself fading yesterday
I don't wanna feel the shame
I don't wanna waste away
Like I saw myself fading yesterday
I don't wanna feel the pain
(2x)

I don't wanna waste away
