

## Rain Song

## Day of Fire

Bring rivers in this waste land,  
Clouds into this sky  
Bring springs of life into the wells that  
Have been run dry

Rise up in this city  
Gather in this light  
Fall down on your people,  
Your glory and your life

Rain, Lord we thirst for water  
Rain, we are desert land  
Rain, on your sons and daughters  
Rain, bring your rain again

Speak dreams into this water  
And vision to this land  
That oceans be divided  
And bring forth life again

Rise up on this city  
Gather in this light  
Fall down on your people  
Your glory and your life

Rain, Lord we thirst for water  
Rain, we are desert land  
Rain, on your sons and daughters  
Rain, bring your rain again

Rain, Lord we thirst for water  
Rain, we are desert land  
Rain, on your sons and daughters  
Rain, bring your rain again

Let the tide roll in  
Washing over our lives  
Let your water fall again

Bring rivers in this waste land  
And clouds into this sky

Rain, Lord we thirst for water  
Rain, we are desert land  
Rain, on your sons and daughters  
Rain, bring your rain again

Rain, Lord we thirst for water  
Rain, we are desert land  
Rain, on your sons and daughters  
Rain, bring your rain again

Bring your rain again  
Let your water fall down  
Bring your rain again now

Bring your rain again

Let your water fall down  
Bring your rain again now
