Run

Day of Fire

The race is running a pace that?s quicker
The clock's tick ticking against
The world keeps turning, this house is on fire
Won?t catch me sleepwalking again

Running said, "I?m running, I?m running
I?m coming at you gunning", running, said, "I?m running against
"
Running said, "I?m running, I?m running
I?m coming at you gunning", running said, "I?m running against"

Awake and running, the distance quicker
This road is nearing the end
The wheels keeps turning, this heart is on fire
I?m burning up high speed when I win

Running said, "I?m running, I?m running
I?m coming at you gunning", running, said, "I?m running against
"

I said, "I?m running, I?m running
