

# Girlfriend

DAY26

Noooooo

I gotta slow down, and find the one that's right for me  
I'll be on the look out  
Please tell me where could she be

I'm sick and tired of struggling and still can't find the one (one)

When I find that perfect shawty, I swear that I'm done  
These phonies make it hard to see, please reveal yourself to me  
I know she's waiting for me I believe

Is she on my left (oh), is she on my right (oh), is she in the middle, is she here tonight

I been searchin high, I been searchin low
