

One Night Only

DAY26

Loving the way you fit in them jeans
You looking at me, you ready
I can tell by the way you licking your lips
And switching your thighs your ready

Would I be out of line to cut to the chase?
See what's on your mind or should I just wait
Thinking I should just tell here
Chances is she probably going to be down for whatever

One night stand tonight me and you one night only
One night only, a one night stand tonight
Me and you one night only, one night only

You ain't got to tell nobody, I ain't to going to
Tell nobody, I'm going to touch your body
One night stand tonight, me and you
One, one, one, one, one, one, one, one, one night only

If you say it's okay I'm willing to play
You already know I'm ready
I'll be home around ten, can you make by then?
You better be ready

Girl, whatever the time you're going to get it
'Cause you've been on my mind
Ever since we meet and I'm so glad you with it
A lot of other girls been down but they just won't admit it

One night stand tonight, me and you, one night only
One night only, a one night stand tonight
Me and you, one night only, one night only

You ain't got to tell nobody, I ain't to going to
Tell nobody, I'm going to touch your body
One night stand tonight, me and you
One, one, one, one, one, one, one, one, one night only

I want a bad girl, a chick that ain't afraid
To be a freak in the sheets
Bring me down on my knees, I need a bad girl
I'm looking for a shawty
To come home with me, yes, she willing to please
I said who? Who? I said who? Who?

One night stand tonight, me and you, one night only
One night only, a one night stand tonight
Me and you, one night only, one night only

You ain't got to tell nobody, I ain't to going to
Tell nobody, I'm going to touch your body
One night stand tonight, me and you
One, one, one, one, one, one, one, one, one night only
