

## Think Of Me

DAY26

You never ever thought that you would fall in love  
With someone like me....  
Thinkin bout your love  
Makes you want to call me baby....

If you want it now, just call me  
I'm the only one that can satisfy ya  
If you want it later, you can call me  
Cause I'm that only one that can take you higher  
Think of me..., when you're lonely..., ya need..., baby  
I'll be waiting for your call, baby think of me

I never every thought that I would fall in love, hey  
But I fell for you too, oh  
Thinkin bout your love  
It makes me wanna call you, baby

If you want it now, just call me  
I'm the only one that can satisfy ya  
If you want it later, you can call me  
Cause I'm that only one that can take you higher  
Think of me..., when you're lonely..., ya need..., baby  
I'll be waiting for your call, baby think of me

Maybe we were meant to be  
Hopefully in time you'll see  
Wish you would've stayed girl  
Maybe would have called you  
I don't want nobody else  
So you can keep my love to yourself  
I want you to be my everything, girl, I want your love

If you want it now, just call me  
I'm the only one that can satisfy ya  
If you want it later, you can call me  
Cause I'm that only one that can take you higher  
Think of me..., when you're lonely..., ya need..., baby  
I'll be waiting for your call, baby think of me

Baby think of me when you're all alone  
All you gotta do is pick up the phone  
Baby, think of me when you're all alone  
All you gotta do is pick up the phone

Baby, if you're lonely  
All you gotta do is call me  
And I'll be right there  
I'll be right there  
Thanks for thinkin of me
