

# Hide Away

Daya

Boys seem to like the girls who laugh at anything;  
The ones who get undressed before the second date;  
Girls seem to like the boys who don't appreciate  
all the money and the time that it takes

to be fly as a mother;  
Got my both eyes out for Mr Right;  
Yeah, see I just don't know where to find them,  
but I hope they all come out tonight;

Where do the good boys go to hide away, hide away?  
I'm a good, good girl who needs a little company;  
Looking high and low, someone let me know;  
Where do the good boys go to hide away, hide away?

Boys seem to like the girls who like to kiss and tell;  
Talking them up about things that do so well;  
I want to find a boy who is down for the chase,  
putting in the time that it takes

To be fly as a mother,  
To supply all of my hearts amends;  
Suit and tie because undercover  
He's gonna save a life like superman;

Where do the good boys go to hide away, hide away?  
I'm a good, good girl who needs a little company;  
Looking high and low, someone let me know;  
Where do the good boys go to hide away, hide away?

Tell me you where the good boys go;  
Tell me you where the good boys go;  
Tell me you where the good boys go;  
Will somebody tell me, tell me;  
Tell me you where the good boys go;  
Tell me you where the good boys go;  
Tell me you where the good boys go;  
Tell me where the good boys go;

Where do the good boys go to hide away, hide away?  
I'm a good, good girl who needs a little company;  
Looking high and low, someone let me know;  
Where do the good boys go to hide away, hide away?

Hide away, hide away;  
Hide away, hide away;

Looking high and low, someone let me know;  
Where do the good boys go to hide away, hide away?
