

# We Are

Daya

Stay out late night, running red lights  
That's the air we like to breathe  
Breaking your ties, crossing your lines  
Leaping over boundaries  
There's never been a mold that you could fit us in  
Doing what we're born to do is not a sin

'Cause we are gonna be, we are gonna be who we are  
We don't really care, we don't really care what you want  
Never put a we, never put a we in the box  
Gotta let it go 'cause I'm telling you we won't stop  
Because we are, we are, we are, we are  
We are the young, we are the world  
You know who we are  
We are, we are, we are, we are  
We are the young, we are the world  
You know who we are  
We might be reckless, but we're gonna do just what we do 'cause we are, we are, we are, we are  
We are the young, we are the world  
You know who we are

You know who we are  
You know who we are

Make our own rules, sticking like fools  
to call the police  
We can skip school 'cause we're too cool  
To be told we can't be free  
You can go ahead and try to knock us out  
Ain't no keeping us from doing what we love  
'Cause we love it too much

We are gonna be, we are gonna be who we are  
Gotta let it go 'cause I'm telling you we won't stop, won't stop

Because we are, we are, we are, we are  
We are the young, we are the world  
You know who we are  
We are, we are, we are, we are  
We are the young, we are the world  
You know who we are  
We might be reckless, but we're gonna do just what we do 'cause we are, we are, we are, we are  
We are the young, we are the world  
You know who we are

You know who we are  
You know who we are

We don't hear what you're saying  
Being us is okay and  
We don't hear what you're saying  
Being us is okay and

We might be reckless, but we're gonna do just what we do 'cause we are, we are, we are, we are

We are the young, we are the world  
You know who we are

You know who we are  
You know who we are  
You know who we are  
You know who we are  
We are, you know who we are
