## **An Heir To Emptiness**

## **Daylight Dies**

Devoid of life
There is no light
Pursued by grief
Relentless
Undaunted

Loss of self
Into soullessness
Slipping away
To nothingness

Will to live Cast aside A hope I cannot recognize

Loss of self Into soullessness Slipping away To nothingness

Haunted by sorrow
And perpetual death
Pursued by grief
Through this dominion of ruin
My kingdom of emptiness

Emptiness
