

## Strive To See

## Daylight Dies

This deadlocked  
Our failure  
Draped in vows  
A dead letter  
An altar stripped  
To the ground

To all things  
We could not overcome  
And all we lost  
For all the faith that  
We will cast aside  
And all we lost along the way

Dead silence  
That echoes  
In our stare  
Dead ending  
Abandoned lives  
In disrepair

To all things  
We could not overcome  
And all we lost  
For all the faith that  
We will cast aside  
And all we lost along the way

Dissolving  
In slow motion  
This deathbed  
Of devotion
