

It Happens

Days Away

I forced it down,
cause' I haven't cared about anyone.
and they found me out,
because they know I haven't cared at all.

Do you want a chance ?
'Cause I want mine.
Don't take it out on me.

It happens every time,
i try.
and i can,
keep it personal for anyone who cares.

just keep in mind, it's my time
so i'll do what i think i'm supposed to.
keep in my head, on my time
i do what i know i can.

and do you want a chance ?
cause i want mine.
don't take it out on me.

it happens every time,
i try.
and i can,
keep it personal for anyone who cares.

every time, i try.
i can.
keep it personal,
for anyone who cares.

Do you,
do you now ?
do you,
do you now ?

every time, i try.
i can.
keep it personal,
for anyone who cares.

everytime, i try.
i-i-i can.
keep it personal,
for anyone who cares.

i forced it down,
cause' i haven't cared about anyone.
and they found me out,
'cause they know i haven't cared at all.
