## **It Happens**

**Days Away** 

I forced it down, cause' I haven't cared about anyone. and they found me out, because they know I haven't cared at all. Do you want a chance ? 'Cause I want mine. Don't take it out on me. It happens every time, i try. and i can, keep it personal for anyone who cares. just keep in mind, it's my time so i'll do what i think i'm supposed to. keep in my head, on my time i do what i know i can. and do you want a chance ? cause i want mine. don't take it out on me. it happens every time, i try. and i can, keep it personal for anyone who cares. every time, i try. i can. keep it personal, for anyone who cares. Do you, do you now ? do you, do you now ? every time, i try. i can. keep it personal, for anyone who cares. everytime, i try. i-i-i can. keep it personal, for anyone who cares. i forced it down, cause' i haven't cared about anyone. and they found me out, 'cause they know i haven't cared at all.
