

# Born Is The Enemy

Daysend

Cold and freezing  
Holding nothing  
I did all this for you

Don't even call me your friend  
You will not lose in the end  
I see in front of me  
Born is the enemy now

Cold and freezing  
Holding nothing  
I did all this for you  
Now there's nothing left for me to do

This is the start of something new  
Stains of your guilt are left for you  
I see in front of me  
Born is the enemy now

Down  
You're trying to bring me down  
You're not gonna break me

I did all this for you  
You're going down
