

I'm craving thoughts that slowly become my weapon of mass destruction.

Come light the fuel, the burn is so enticing, and mesmerizing.

I want to get up tonight,
Sail away to the play endless paradise,
I want to get up tonight.

Can't fight the urge to merge into the question
That goes without being said.
I'm insecure if the world would prefer I'll leave here,
As long as I'm with you.

I want to get up tonight,
Sail away to the play endless paradise.
Get up tonight,
Sail away to the play endless paradise.
Sail away, sail away, sail away to the play.

This is my future,
That I wanted to live.
My endless endeavors,
You can't destroy it.

I want to get up tonight,
Sail away to the play endless paradise.
Get up tonight,
Sail away to the play endless paradise.
Sail away, sail away, sail away to the play.

Get up tonight,
Sail away to the play endless paradise.
Get up tonight,
Sail away to the play endless paradise.
Sail away, sail away, sail away to the play.
Sail away, sail away, sail away to the play.
