

# Overtime

Daz Dillinger

Get money overtime  
Don't bother asking why  
All my niggaz with the...  
Will say that shit ain't lookin''right  
You get money  
Let's go!

Wake up in the morning and take a long stretch  
Hop up in that water now I'm clean, time to get fresh  
Money on my mizind, what I think about like every day  
Make a couple calls got that money comin' every way

These rooms must to live by  
I go hard in all of my shit  
All I know is I...  
I just give it, give it and she goes  
Slow it down, I'm fucked up  
I got a job  
Time for me to sober up  
Livin that life  
Having party every night  
Freaky type, the type that I like

Turn up with some real niggaz  
Who turn up with you  
We can meet all in my crew  
That's what real niggaz gonna do

Get money overtime  
And then I kept my dope  
Don't bother asking why  
I told you I don't know  
All my niggaz with the...  
Will say that shit ain't lookin''right  
You get money  
They turn it down,  
I turn it up  
They think they hide  
I'll be walking low...

They turn it down  
I turn it up

I don't give a fuck if it costs 200 and 50 rats  
On mission he really wins  
Before he falls on a bean  
... they don't even let niggaz walk in  
Niggaz turnin' for more money  
They can barely hear us  
Your secret Sunday look like clippin'  
A stripper won't get money all night  
Just slip some liquor and...  
Started in a project  
Nigga I can fuck you on set  
And everything I got to earn  
That's what the big home boys respect

Get money overtime  
And then I kept my dope  
Don't bother asking why  
I told you I don't know  
All my niggaz with the...  
Will say that shit ain't lookin' right  
You get money  
They turn it down,  
I turn it up  
They think they hide  
I'll be walking low...

I'm swaggin' on these niggaz  
Pop pills, shit is real  
My life is a part of night  
When I do it, I do it right  
So hold it down, speed it up  
See don't get out of line  
You well get fucked up  
Yeah we ballin', we ballin'  
We ballin'

I don't fuck with no broke boys  
If you ain't talking  
It ain't a lot of noise  
Go hard  
Most niggaz let it talk  
How is the shit?  
God damn!  
Smoke hood, live hood  
Shake that nigga in the hood

You are fucking with me  
I am fucking with you  
You're eating with me  
I'm eating with you

Get money overtime  
And then I kept my dope  
Don't bother asking why  
I told you I don't know  
All my niggaz with the...  
Will say that shit ain't lookin' right  
You get money  
They turn it down,  
I turn it up  
They think they hide  
I'll be walking low...
