

I waited patiently for the Lord  
He brought me up out of my pit  
He inclined and heard my cry

I will sing, sing a new song  
Out of the miry clay

How long to sing this song?  
I will sing, sing a new song  
How long...to sing this song  
How long to sing this song?  
How long...how long...how long  
He placed my feet upon is rock

Many could see  
And made my footsteps so firm  
I will sing, sing a new song  
Many could see and fear

How long to sing this song?  
I will sing, sing a new song  
How long to sing this song?  
How long...how long...how long  
How long...to sing this song
