

I waited patiently for the Lord
He brought me up out of my pit
He inclined and heard my cry

I will sing, sing a new song
Out of the miry clay

How long to sing this song?
I will sing, sing a new song
How long...to sing this song
How long to sing this song?
How long...how long...how long
He placed my feet upon is rock

Many could see
And made my footsteps so firm
I will sing, sing a new song
Many could see and fear

How long to sing this song?
I will sing, sing a new song
How long to sing this song?
How long...how long...how long
How long...to sing this song
