

## Gah Ta Be

DC Talk

Now you can have all the fun and money man can have  
Sport a Porche or carry Gucci bags  
You can gear in gold from your chest to your chin  
But if you don't know the Savior, you'll never get in  
The gates of hell shall prevail on your soul  
If makin' money, shakin' honeys is your lifelong goal  
There's a plan laid before you that can change the above  
It can fit any man like a hand in a glove  
There's only one way to heaven and that won't change  
Cause my almighty Father's not respectful of names  
So be saved

Saved, you gah ta be saved  
Saved, you gah ta be saved  
Saved, you gah ta be saved  
Saved, you gah ta be saved

I once knew a politician upon Capitol Hill  
Attended all the right parties cause he voted on bills  
He had big friends, he drove a Benz  
But a life full of strife cause he was livin' in sin  
He said he wasn't satisfied with life as it was  
Everything he'd always wanted simply wasn't enough  
When he asked me why so happy, I had to confess  
I got Christ in my life, I've been more than blessed  
You see there's nothin' wrong with finer things in life  
But an eternity in heaven ain't displayin' a price  
So be saved

Saved, you gah ta be saved  
Saved, you gah ta be saved  
Saved, you gah ta be saved  
Saved, you gah ta be saved

You gotta know it and believe it  
You gotta show it and receive it

Saved, you gah ta be saved  
Saved, you gah ta be saved  
Saved, you gah ta be saved  
Saved, you gah ta be saved

From a brother to another, I'm not doggin' the bucks  
Cause a bum without the Father is a bum outta luck  
No mention of exemption, no requirements waived  
To enter through the gates ya gotta gotta be saved  
Don't make it complex, straight up text  
No matter what race, creed, color, or sex  
Accept Him, don't reject Him, heed the call of the Christ  
He's at your heart's door knockin', He awaits a reply  
This life is temporary, lay your treasures above  
Eternal life is offered through His infinite love  
Be saved

Saved, you gah ta be saved  
Saved, you gah ta be saved  
Saved, you gah ta be saved

Saved, you gah ta be saved
