Party everywhere  
Everywhere

Party over here  
Party over there  
Party everywhere  
Party everywhere  
Everywhere

Well everybody, everybody in the place to be  
Open up your mind and let your soul be free  
I can feel the Most High shining on me, so...  
Let's get this party started

Blind-sided by the blitz  
Come on baby it's on  
I couldn't wait to get on this  
You ain't no quiet storm  
I'm gonna tell it like it is  
There ain't no stopping us now  
Somebody shut me up so I can live out loud

Them people thought we was gone  
It's been a long time comin'  
But straight out the box  
We got the dark side runnin'  
So Father, Most High won't You show Yourself  
And shine on this record like nobody else

Party over here  
Party over there  
Party everywhere  
Party everywhere  
Everywhere
