

In The Air

DC Talk

Do, do, do, do, do, do, do, do
There in the air
Do, do, do, do, do, do, do, do
There in the air

I had a dream last night about the other side
And I must confess that it was quite the ride
I had a dream last night and the fact that you weren't there
Gave me quite the scare (uh huh)
Ya see, people were afloat all around me
Yet their weightless state never seemed to astound me
Everything was grand till I noticed one thing
That you, my friend, weren't on the scene
(Time for this)

Do, do, do, do, do, do, do, do
There in the air

I've been workin' all morning trying to spin my dream
Cause I just can't believe you weren't in my dream
Remember you and I said we would paint the sky
And the leaves on the trees and the stars at night
We made beats and we even wrote rhymes
And played golf, I think, a million times
Now we never got around to spiritual matters
But we sure made time for our mindless chatter
(Go DJ... ???)

(Say what?)
I wanna see you there
In the the air
One day we'll be singin' (Hallelujah)
I wanna see you there
In the the air
One day we'll be singin' (Hallelujah)

(Hello) wassup (wassup) how ya doin' (just fine)
I was sorta wonderin', could we make the time
(Just to kick it) why not at our usual spot
Latte's in May, mine cold, yours hot
(So where we goin') much deeper than our usual chat
(Like who's beats is weak and who's beats is phat)
Nah, my man, this some next level junk
(Like when we discussed if Tiger Woods could dunk)
Just meet me there, seven o'clock, rain or shine ???
With a fat cup of bean and a wide open mind
(Man that's heavy)

I wanna see you there
In the the air
One day we'll be singin'
There in the air
(Hallelujah)
I wanna see you there
In the the air
One day we'll be singin'
There in the air

(Hallelujah)
