

## Into Jesus

DC Talk

I see the moon, a million stars are out tonight  
Gentle reminders of the way You are  
A sea of glass, a raging storm has come to pass  
You show Your face in an array of ways

My feet may venture to the ground  
But You will never let me down  
I can't hold it in  
My soul is screaming

Hey you, I'm into Jesus  
Hey you, I'm into Jesus, oh yeah  
Hey you, I'm into Jesus  
Hey you, I've seen the truth and I believe

I know You're there  
I feel Your love through my despair  
You speak the words that ease away the pain  
My heart is free, my eyes are clear  
My soul is healed  
Now that You have got a hold on me

My feet may venture to the ground  
But He has never let me down  
I can't hold it in  
My soul is screaming

Hey you, I'm into Jesus  
Hey you, I'm into Jesus, oh yeah  
Hey you, I'm into Jesus  
Hey you, I've seen the truth and I believe

I still believe, I still believe  
Hey you, this kid is back  
And I do declare the sun is shining  
Hey you, this kid is back  
With a red alert and it might be blinding  
Hey you, the kid is back  
And I do declare the sun is shining  
Hey you, the kid is back

My feet may venture to the ground  
Hey you, I'm into Jesus  
Hey you, I'm into Jesus, oh yeah  
Hey you, I'm into Jesus  
Hey you, I've seen the truth and I believe

Hey you, I'm into Jesus  
Hey you, I'm into Jesus, oh yeah  
Hey you, I'm into Jesus  
Hey you, I've seen the truth and I believe

One time, one time Jesus bled  
On the third day He rose again  
Can I get a witness for the things He did?  
One time, one time Jesus bled  
But then He rose again

I've seen the truth  
I believe, yeah I believe
