

Into Jesus

DC Talk

I see the moon, a million stars are out tonight
Gentle reminders of the way You are
A sea of glass, a raging storm has come to pass
You show Your face in an array of ways

My feet may venture to the ground
But You will never let me down
I can't hold it in
My soul is screaming

Hey you, I'm into Jesus
Hey you, I'm into Jesus, oh yeah
Hey you, I'm into Jesus
Hey you, I've seen the truth and I believe

I know You're there
I feel Your love through my despair
You speak the words that ease away the pain
My heart is free, my eyes are clear
My soul is healed
Now that You have got a hold on me

My feet may venture to the ground
But He has never let me down
I can't hold it in
My soul is screaming

Hey you, I'm into Jesus
Hey you, I'm into Jesus, oh yeah
Hey you, I'm into Jesus
Hey you, I've seen the truth and I believe

I still believe, I still believe
Hey you, this kid is back
And I do declare the sun is shinning
Hey you, this kid is back
With a red alert and it might be blinding
Hey you, the kid is back
And I do declare the sun is shining
Hey you, the kid is back

My feet may venture to the ground
Hey you, I'm into Jesus
Hey you, I'm into Jesus, oh yeah
Hey you, I'm into Jesus
Hey you, I've seen the truth and I believe

Hey you, I'm into Jesus
Hey you, I'm into Jesus, oh yeah
Hey you, I'm into Jesus
Hey you, I've seen the truth and I believe

One time, one time Jesus bled
On the third day He rose again
Can I get a witness for the things He did?
One time, one time Jesus bled
But then He rose again

I've seen the truth
I believe, yeah I believe
