

Luv Is A Verb

DC Talk

(Take this mark for a ride)
Boom! Burn! Bip! Yeah! Pow! Hey, ha ha.
Down with the dc Talk, d- d- down with the dc Talk
Are you down with the dc Talk, d- d- down with the dc Talk

Pullin' out my big black book
Cause when I need a word defined that's where I look
So I move to the L's quick, fast, in a hurry
Threw on my specs, thought my vision was blurry
I looked again but to my dismay
It was black and white with no room for grey
Ya see, a big "V" stood beyond my word
And yo that's when it hit me, that luv is a verb

Words come easy but don't mean much
When the words they're sayin' we can't put trust in
We're talkin' 'bout love in a different light
And if we all learn to love it would be just right

Hey, tell me haven't ya heard?
Luv is a serious word
Hey, I think it's time ya learned
I don't care what you say
I don't care care what ya heard
The word luv, luv is a verb

Down with the dc Talk, d- d- down with the dc Talk
Are you down with the dc Talk, d- d- down with the dc Talk

Thinkin' of a way to explain-o
Cause ya' know when I'm flowin' like a bottle of Drano
Simple and plain, L-O-V-E
Ain't all that junk that ya see on TV
Put soaps on a rope cause they ain't worth copin' with
It's a myth that there ain't no hope and
Luv is enough if it's unconditionally
Givin' now you're living out the Great Commission

Back in the day there was a man
Who stepped out of Heaven and he walked the land
He delivered to the people an eternal choice
With a heart full of luv and the truth in His voice
Gave up His life so that we may live
How much more luv could the Son of God give?
Here is the example that we oughta be matchin'
Cause luv is a word that requires some action

[repeat chorus 2 x4]
