

## Luv Is A Verb

DC Talk

(Take this mark for a ride)  
Boom! Burn! Bip! Yeah! Pow! Hey, ha ha.  
Down with the dc Talk, d- d- down with the dc Talk  
Are you down with the dc Talk, d- d- down with the dc Talk

Pullin' out my big black book  
Cause when I need a word defined that's where I look  
So I move to the L's quick, fast, in a hurry  
Threw on my specs, thought my vision was blurry  
I looked again but to my dismay  
It was black and white with no room for grey  
Ya see, a big "V" stood beyond my word  
And yo that's when it hit me, that luv is a verb

Words come easy but don't mean much  
When the words they're sayin' we can't put trust in  
We're talkin' 'bout love in a different light  
And if we all learn to love it would be just right

Hey, tell me haven't ya heard?  
Luv is a serious word  
Hey, I think it's time ya learned  
I don't care what you say  
I don't care care what ya heard  
The word luv, luv is a verb

Down with the dc Talk, d- d- down with the dc Talk  
Are you down with the dc Talk, d- d- down with the dc Talk

Thinkin' of a way to explain-o  
Cause ya' know when I'm flowin' like a bottle of Drano  
Simple and plain, L-O-V-E  
Ain't all that junk that ya see on TV  
Put soaps on a rope cause they ain't worth copin' with  
It's a myth that there ain't no hope and  
Luv is enough if it's unconditionally  
Givin' now you're living out the Great Commission

Back in the day there was a man  
Who stepped out of Heaven and he walked the land  
He delivered to the people an eternal choice  
With a heart full of luv and the truth in His voice  
Gave up His life so that we may live  
How much more luv could the Son of God give?  
Here is the example that we oughta be matchin'  
Cause luv is a word that requires some action

[repeat chorus 2 x4]
