

Mrs. Morgan

DC Talk

Well, I'm Catherine Morgan
And I'm the next-door neighbor to the Gotee's
And uh, the Gotee's were over there
And they had a drummer that came in here
To play the drums that day
And he played it early in the mornin', and he played it
I had him for breakfast, and for lunch, and for dinner
So I hollered at Todd and told him
That I couldn't stand that drummer any longer
That he was driving my crazy
And Kevin spoke up and said, "Mrs. Morgan," says, "that's a live drummer
We've got over there today"
And I said, "If he hits the drum one more time,
He's gone be a dead drummer"
And that was the last I heard of the drummer that day
Between You And Me

[It's just between you and me]
[I've got something' to say]
[I wanna get it straight]
[Before the sun goes down]

Sorrow is a lonely feeling
Unsettled is a painful place
I've lived with both for far too long now
Since we've parted ways
I've been wrestling with my conscience
And I found myself to blame
If there's to be any resolution
I've got to peel my pride away
(chorus)
Just between you and me
I've got something' to say
Wanna get it straight
Before the sun goes down
Just between you and me
Confession needs to be made
Recompense is my way to freedom now
Just between you and me
I've got something to say
If confession is the road to healing
Forgiveness is the promised land
I'm reaching out in my conviction
I'm longing to make amends
So, I'm sorry for the words I've spoken
For I've betrayed a friend
We've got a love that's worth preserving
And a bond I will defend
(repeat chorus)
In my pursuit of God, I thirst for holiness
As I approach the Son, I must consider this
Offenses unresolved, they'll keep me from the throne
Before I go to Him my wrong must be atoned
If there's to be any resolution
I've got to peel this pride away
Just between you and me
I've got something' to say

I wanna get it straight
Before the sun goes down
Just between you and me
Confession needs to be made
Recompense is my way to freedom
It's my way to freedom
It's my way to freedom (2x)
I've got something to say, so let me say it today
It's my way to freedom (2x)
I've got something to say, confession needs to be made
It's my way to freedom (2x)
I've got something to say, confession needs to be made
It's my way to freedom (2x)
I've got something to say
