

## Stamp Of Approval

DC Talk

I wanna do the right thing, I wanna say the right thing.  
I wanna understand all of your ways.  
I wanna love you freely, I wanna know you deeply.  
I wanna grow closer to you day by day.  
I wanna be like you. I wanna be like you.

I gotta have your stamp of approval on my life.  
In everything I do, I gotta have your  
stamp of approval on my life.  
If I wanna be like you.

Lord prepare me to be a sanctuary. Pure and holy. Tried and t  
rue.  
And with thanksgiving I'll be a living sanctuary.
