DC Talk

Its time to jam, oh yeah
Yeah, yeah, ha ha
God's word

When DC talks
When DC talks
When DC talks
When DC talks

When I talk, I talk about the Lord
You can be sure that you can't afford
To miss a lyric, a rhyming line
You know, they got meaning, they're right on time
Totally true and to the last letter
If it's Christian it ought to be better
Omit a bit, it should be the best
If it's of the King, you know it's blessed

When DC talks
When DC talks
When DC talks
When DC talks

D is for decent, I mean what I say
But obscene, I don't play that way
C is for Christ, to the I A N
That's right y'all, I am born again
Talk's my tool, my gift to use
R A P to spread the news of God
So you know the part now
Now tell the world what's on your heart

When DC talks
