(Never gonna give up on you)
We gonna do it like this
(Just a little bit)
Like that (just a little bit)
Zhane (just a little bit)
De La (just a little bit, c'mon)

I'll never give you up No, I'll never stop Keep it comin' Keep on comin' for more

It's that brown man from long islandin' shores Got a way with women, so I get away with yours Because you're whole game's outdated Which leaves all the pretty women heavily sedated

Mummy you can play your Ripley's Or believe it or not I shoot gift like heron With skills of gil-scott Nights like sir Lancelot can get heated Prescribin' your vibe, love, I know how you need it

I like to mingle sometimes So I head out of state to find a couple of dimes But a government rate can't settle for no nickels Even pennies for thought for short I need connections With big bank selections Securing all the sections With sing-sing corrections Seedin' like nature, escapin' like gas Tell me how long this love is gonna last Thinkin' fast might spoil somethin' Turn a to nothin' to your lady is special Seen a bigger picture on the screen But you're a movie, you move me You soothe me like holidays, getaways The brochure said do it So true It's not a hold hand mission Cut the public display Heard you're headed for the stars Put the gazers away Mine times out of ten We cut to good friends But when we on the tenth We gotta go the length I'm not a playa Yet i get more play Than a talk show shown Cross the USA Have em' moanin' out the vowels sounds Oh, ei, and ah

De La Soul

And how by now you should know me and my Do members of the opposite sex Have their boyfriend screaming out We got more techs Than that ball team in Georgia All because the ho wanna go to the Casbah You can get with Some of these women Some of the time When your face is in the light stirred with lime Is it a crime To set your mind to death? Resuscitated See how many brain cells left I feel your body's drawn to my positive Don't even want a baby If it's that easy to give I live right around the corner Three states away Take a holiday Come check me Watch how I set the Mood, check a movie on the tube Get your belt mad loose like lee Phone's turned way down To avoid the beef Or the questions If she's the only one gettin' lessons You're into crime faces, huh? Well I'll play your Capone Suzy Q got the grill To make the cake chrome Situation's gettin' absurd Hot on a plat So work the format See how we do that? And you're figurin' We love on the rock I'ma keep it up front To maintain the stock Displayin' all the goodies From your knuckle to knees Make it hot like the island degrees Now that's special
