If money makes a man strange, we gots to rearrange  
So what makes the world go 'round  
If love is against the law, listen I don't know  
Gotta change how it's goin' down  
If money makes a man strange, we gots to rearrange  
So what makes the world go 'round  
And if love is against the law, listen I don't know  
Gotta change the way it's goin' down  
I fell in love with this fish who got caught in my mesh  
But yo she burned my scene up like David Koresh  
I guess a diamond ain't nothing but a rock with a name  
I guess love ain't nuttin' but emotion and game  
It's a lesson well learned so praise is well due  
I'm sendin' off from Big I, to Kenny Calhoun  
And add a reservation for the resident crew  
And yo get your bowl 'cuz we cookin' up stew  
See them Cubans don't care what y'all niggaz do  
Colombians ain't never ran with your crew  
Why you actin' all spicy and sheisty  
The only Italians you knew was icees, niggaz price me  
I'm keepin' it clean, like a washing machine  
And yo, get your locomotion run into full steam  
I'm sendin' out a greeting to my man Daseem  
I got a child so I gotsta get the green, right right  
If money makes a man strange, we gots to rearrange  
So what makes the world go 'round  
If love is against the law, listen I don't know  
Gotta change the way it's goin' down  
If money makes a man strange, we gots to rearrange  
So what makes the world go 'round  
If love is against the law, listen I don't know  
Gotta change the way it's goin' down

I own the deeds to some acres in the West Indies  
Where my pops is building residence to house my seed  
Now here's the lead, y'all niggaz pray to hot rods and not God  
While Versace play you bitches like Yahtzee  
Crackin' jokes like you Patzi  
When's the last time you had happy days?  
Blazin' up your herb to escape the maze, but the problem stays  
Think big get it big is my motto  
You can go and play your lotto, I'll be singin' like baby won't you be mine

You'll be pressin' rewind, you can never see mine  
Keep your eyes focused, you can't touch this or quote this  
Style is crazy bogus so you can't try to approach this  
Stomp you out like roaches, pullin' on my coattail  
Like some horses pullin' coaches, whoa your roller coasters  
It's hotter than the temperature that's cookin' in your toasters  
While the heat'll put you deep into hypnosis  
If money makes a man strange, we gots to rearrange  
So what makes the world go 'round  
If love is against the law, listen I don't know  
Gotta change the way it's goin' down  
If money makes a man strange, we gots to rearrange
