De La Soul

Yo.. we bout to get it (get it) get it (get it)
get it (get it) get on down (down) down (down)
Yo! We bout to get it (get it) get it (get it)
get it (get it) get on down (down) down (down)
Yo!

We run it, HOT! When we over the drums
To the, TOP! Cause the bottom we're from
We got the, DROP! On your weekend crew
cause you're full-time talkin while we peepin your view

Rahubat[?], you know my name
I run my humbleness with fame
God-body, nuttin plain
while you claimin shepherd that you heard this
you, heard this on day first
Watch my man, he'll make it worse
Ain't no new click, we still Native

Clothes knit, stitched tight, related
that's the way we handle it
Pin us up or mantle it
We on fire you candle lit
Daydreamin, on a rack
Get bought worn and brought back
We sport rhyme thought real tight

to gain sizes much bigger
Life life well, get mail filled with
checks from sales we deliver

Spend a little, make a little
I want it big like white boy wallets
Credit delievered, Fed-Excellent
To my dot com, we on the web like Charlotte's
Hornet, back her up, she too much on it
Your plastic ass'll get swiped
past the limit see you the type
to get yo' cosmetics smeared on pillows all night

while we peepin your view
while we, peepin your view
We got they eyes on lock
Let them flock to your wit while I spit after you

Look ma, I'm still rhymin
Baby boy still providin
Breakin bread in four states
Makin these struggles get gone
Private eyes, I see y'all spyin
You watch while I clock
Fertilize my brain data
Makin accounts grow green like the front lawns

Yo I may be old school
but I'm not no old fool
Heard out your mouth words flee

bout "These niggaz ain't nice"
You just barbershop talkin
while we round the world walkin
B, you ain't D.M.C.
You slip and fall on my ice
No lyin, straight shinin
I give you supper from my upper diamond
You got limbs so climb in

Yo, soak up what you find-in
We too pure for you to try
You sniffin maybe's and if's

And if "if" was a spliff
Man we'd all be hiiiiiiiiigh-iiiiiiigh.. iiiggghhhhh..

.. but it's not, so sober up
You flashin out like you paparaz'
You'll need to take a liver shot
to feel the heat on how we runnin it, YO

cause you're full time talkin while we, while we
while we lettin you know I'm in a
certified rhyme meadow for days
If you ask Mercenary bout this shit, it pays
Hitting Willie Mays style out the park
Mastering in this (Art) that's (Official)
Your ears absorb this like tears, on a tissue
cause my thoughts are dollar bill crisp
Distinct like E-Double's lisp
L.I. alumni, wonder why I got it
Got it? Get a piece
Got product that you all should own and not lease
Some say drummers play synonymous with ill
with wordplay, that keep us all paid like a bill
We're the parent company
You the sub in my D-I-vision
You don't know how..
