

WRMS: Cat's in Control

De La Soul

If it's not De La Slow then it's not WRMS. Where Cat's in control
twisting and tuning until you're purrfectly content. Special call
goes out to the suckers at the donut shop. Thanks for serving it
to me dark hot and no caffiene. Snuggle tight and hang loose
boys it's time to groove to a De La Slow move on WRMS.
