

Nightmare

De-Phazz

Silky, silky dreams
Shady, shady schemes
A nightmare is my way
To get prepared for the day
Silky, silky dreams
Hazy, hazy schemes

On any other day I would have turned
And walked away
On any other day I'd be prepared
A nightmare is my way
To get prepared for the day
A nightmare

Silky, silky dreams
Shady, shady schemes
A nightmare is my way
To get prepared for the day

Silky, silky dreams
