

## What's Behind

De-Phazz

I wanna have sunday or monday  
I wanna have jewels on my jeans  
My guitar sounds like a nightingale  
I wanna travel without fear

I wanna be light as a black glove  
I wanna look into your crazy eyes  
I wanna have snow in the summer  
Just want to see you again

What is this behind?

I wanna be light as a black glove  
I wanna look into your crazy eyes  
When you sleep in my bathroom  
I look through the keyhole -  
Then turn off the light

What is this behind this veil?  
another veil?
