

# Daydreamin'

De/Vision

The wind has called my name  
You won't find me down again  
Can you hear the same?  
Spread your wings and fly away

With you by my side  
No more to say  
With no place to hide  
We run from today  
With you by my side  
I won't be afraid  
Inscrutable night  
We seize the day

My soul they'll never tame  
Higher spheres I reached again  
Do you feel the same?  
Pack your bag and dream away

With you by my side  
No more to say  
With no place to hide  
We run from today  
With you by my side  
I won't be afraid  
Inscrutable night  
We seize the day
