

Escape The World

De/Vision

Wherever you go my friend
One thing I know
You'll never reach the end
No matter how far you fly
Too many reasons why

And maybe you'll try real hard
To keep the pace
But never leave a trace
And maybe you're all alone
A long long way from home

Escape the world today
Take the time and chase the fear away
Escape the world today
Lick your wounds and wipe your tears away

Whatever you do my friend
Stick to your guns
You know it's never done
No matter how hard you try
It's no secret why

And maybe you're living for
The life to come
A place where you belong
And maybe we're all alone
