

Hear Me Calling

De/Vision

Can't you hear me calling?

Can't you hear me calling?
Can't you see I'm falling?

I believe in your heart
Can you believe in me?
Would you try me out one day
When Our souls are free?

I can taste your sweetness
I am out of control
Leave my mind if you don't stay
You decompose my soul...

Can't you hear me calling
Longing for a calm
Can't you see I'm falling
Soon I'll come to harm

can't you feel my yearning
For your charity
Can't you see I'm burning
Till our souls are free

Waiting for an answer
I'm waiting for a sign
I do not understand these feelings
Hope you're feeling fine

Can't you hear me calling...

Hear me calling...
