

## Hear Me Calling

De/Vision

Can't you hear me calling?

Can't you hear me calling?  
Can't you see I'm falling?

I believe in your heart  
Can you believe in me?  
Would you try me out one day  
When Our souls are free?

I can taste your sweetness  
I am out of control  
Leave my mind if you don't stay  
You decompose my soul...

Can't you hear me calling  
Longing for a calm  
Can't you see I'm falling  
Soon I'll come to harm

can't you feel my yearning  
For your charity  
Can't you see I'm burning  
Till our souls are free

Waiting for an answer  
I'm waiting for a sign  
I do not understand these feelings  
Hope you're feeling fine

Can't you hear me calling...

Hear me calling...
