

## Lost In You

De/Vision

Sexual attraction  
Though it makes me blind  
And I can feel the softness  
That really makes you kind  
Don't go away, please stay today  
Don't hide your face, but see me pray

You're the light that shows the way  
Also when I drift away

Also when I drift away

Because I'm lost in you  
Lost in you  
Because I'm lost in you again  
Lost in you

And though I hear your breath again  
Close to my ears  
And though I feel your

Sexual attraction

You're the light

You're the light

You're the light
