

# State Of Mind

De/Vision

Can't you feel it  
It's easy to find  
Heaven is a state of mind  
Can't you feel it

Your eyes are too blind  
Heaven is a state of mind  
Your heart is yearning  
But the world keeps turning

Your heart is aching  
But the world's not waiting baby  
Oh come with me  
I can set you free

There's so much for you to be  
We'll go on a trip tonight  
At the speed of light  
We will tumble through the tide

Your heart is burning  
And the world keeps turning  
Your heart is breaking  
But the world's not waking

Baby oh stay with me  
Come and lay with me  
From here to eternity  
Hold me but not so tight

It will be alright  
When we step into the light  
You can't see it  
You can't hear it

You can't touch it  
Baby you must be it
