

Bound To Love

Deacon Blue

There's no direction and no way through
There is no reason to pay back what is true
Never owned intentions, never know no way back
Never know no way back

But I know you're only asking
And I know you might just care
You only ring my number
For the answer that's not there
You know the cost of everything
And the value of nothing
The only thing that's certain
Is you're bound to love again

They just came from Eden where the fruit was on the tree
They passed midsummer's signal that the world was there to see
It seemed so wide and open, it seemed to be so free
It seemed to be so free

Well you opened up the cage
And you let us fly away
You saw us as we carried
All the gifts that you now see
You know the cost of everything
But you value what you yearn
The only thing that's certain
Is you're bound to love again
You're bound to love again
Bound to love again

You know the cost of everything
And the value of nothing
The only thing that's certain
Is you're bound to love again

But I know you're only asking
And I know you might just care
You only ring my number
For the answer that's not there
You know the cost of everything
And the value of nothing
The only thing that's certain
Is you're bound to love again
You're bound to love again
Bound to love again
Bound to love again
Bound to love again
Bound to love again
Bound to love again
Bound to love again
