

Love Isn't Hard Its Strong

Deacon Blue

Whatever I call you`s your name
You`ll get on with it just the same
Sometimes you`ll blame me
And think that love is hard

Your lover`ll break your heart
Make you make a brand new start
He`ll say that nothing`ll touch him
You`ll think that love is hard

It`s your birth
It`s your birth
It`s your birth
It`s your birth

Love isn`t hard it`s strong
True love will never be wrong
Whenever you know it
You`ll think that love is hard

When Icarus crashed from the sun
Some boatmen looking on
Saw only a golden
Bright beautiful dawn

It`s your life
It`s your life

It`s hard to watch you on your own
Getting up and growing old
Trying to remember
Love isn`t hard it`s strong

It`s your love
It`s your love

It`s your love
It`s your love
