

## Shake Some Action

Deacon Blue

I will find a way  
To get to you some day.  
Oh, but I, babe, I'm so afraid I'll fall, yeah.  
Now can't you hear me call?

Shake some action's what I need  
To let me bust out at full speed.  
I'm sure that's all you need  
To make it all right.

It's taken me so long  
To get where I belong  
Oh, but, oh, please don't send me back that way, yeah.  
For I will make you pay.

Shake some action's what I need  
To let me bust out at full speed.  
I'm sure that's all you need  
To make it all right.

If you don't dig what I say  
Then I will go away.  
And I won't come back this again. No.  
'Cause I don't need a friend.

Shake some action's what I need  
To let me bust out at full speed.  
I'm sure that's all you need  
To make it all right.  
To make it all right
